AMATEUR RADIO EMERGENCY SERVICES
Monterey County, California

Amateur Radio Emergency Services (ARES), is a nationwide field organization of the American Radio Relay League, consisting of Amateur Radio Operators that have voluntarily registered their services and become part of an organized team. The trained operators of Monterey County ARES provide reliable primary and secondary communication links for the Monterey County Office of Emergency Services, Emergency Operations Centers in cities throughout the county, as well as organizations such as the Red Cross, Salvation Army, and the major local hospitals. Local ARES members are registered in the Monterey County Disaster Service Worker Volunteer Program, as well as the Radio Amateur Civil Emergency Service (RACES).

Monterey County ARES Repeaters

ARES1	145.430	PL: 94.8	W6TAR	Mt. Toro
ARES2	145.470	PL: 94.8	K6JE	Fremont Peak
ARES3	146.970	PL: 94.8	K6LY	Huckleberry Hill
ARES4	145.310	PL: 94.8	KR6ML	Carmel Valley

Listed above are the four primary ARES repeaters that serve distinct geographical areas of Monterey County. In addition, thirteen tactical simplex frequencies have been designated for ARES use. Each frequency is designated by a channel number for ease of reference, programming and tactical designation. See the entire ARES bandplan for details. Links to the Monterey County ARES bandplan are on the back page of this document.

Why *should I* become a part of ARES?

- To provide a public service for your community in the event of need or disaster
- To become part of a highly trained team of radio communicators
- To learn new skills and test yourself under adverse conditions
- To fulfill one of the FCC's primary reasons for the existence of Amateur Radio
- To have fun while using your radio for a serious purpose

How *do I* become a part of ARES?

- Join us as often as possible on the weekly ARES nets, Wednesdays at 1930 hours (see back page for details)
- Participate in ARES drills and training as often as possible
- Contact the Emergency Coordinator of the city or area you live in to learn more about where you can help and be trained for assignment
- Register as a Monterey County Disaster Service worker and RACES operator (contact Bob, W6HMC for details)
- Join us at an ARES meeting (see back page for details)
